Looking for optimal settings for popular digital equipment, including Canon, Konica Minolta, Xerox, Ricoh, MGI, and HP Indigo?

Settings are located at spinps.com. On the menu at the top of the homepage, choose Products >> Sheet Home >> Sheet Printing Tips.

Shade Changes

NATURAL CREAM

Lighter shade with smoother finish coming soon.

Designated by New Shade notation on packaging.

FLUORESCENTS

Look for minor shade changes to fluorescent colors transitioning over the next several months.

Pricing and item numbers remain the same

Product performance depends on many variables; testing for a specific application is recommended.
