

Cannabis Packaging

The legalization of cannabis across many states in the U.S. and all across Canada has caused a major boom in demand for cannabis packaging labels and related applications. Whether it's for traditional forms of consumption, or CBD-infused products, the need for labels in this segment continues to grow.

Label and Packaging Application Ideas:

- baked goods containers
- horticultural bottles and containers
- bags and jars for flowers
- infused beverages
- essential oil and lotion bottles
- in-store signage
- package seals
- vape labels
- general product labels
- branding labels
- warning labels
- security seals
- required regulation information labels
- candy and edibles packaging
- price and shelf labels
- inventory labels
- bumper stickers
- QR code information labels
