

Why Crack 'n Peel?

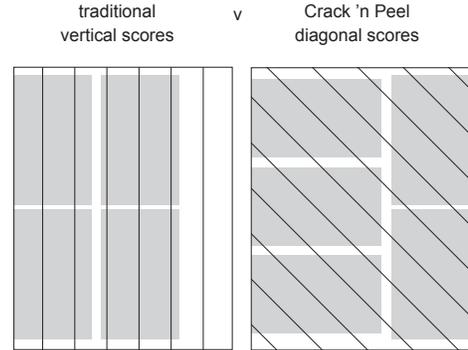

SOLUTION FOR DIFFICULT LABEL LAYOUTS

The Crack 'n Peel exclusive 1¹/₄" diagonal scoring virtually guarantees that every label will have a scoreline no matter the size or shape.

Vertically scored sheets can't promise that.

MORE LABELS PER SHEET

With Crack 'n Peel's unique diagonal scores, label location on the sheet doesn't matter ... No more worries about scores lying too close to the edge of a label.

On a typical 3" x 5" label, expect a 25% better yield.
